Yoga

Dragon Boat Racing

Empower your team, increase their communication skills, teamwork ability, and productivity.

With many fantastic land based, water based & indoor options, we offer activities to suit any size group.

Enhance your meeting or conference or make a day of it with a delicious BBQ after your activity in our Lake View Room and relax with drinks on the balcony.

# TEAM BUILDING & AWAY DAYS

## Popular Activities...

### 1. TAKE TO THE WATER

Guided by the experts, take to the water and work as a team to get the boat moving through the water like a pro. Cornish Gigs and Bell Boats are perfect for smaller groups, or for larger events bring in the Dragons and race against each other in a fun regatta.

### 2. COUNTRY PURSUITS

Perfect for those looking for something a bit different, the activities draw on the rich heritage of the local area with royalty enjoying country pursuits for thousands of years within the rolling countryside of Royal Berkshire. The activities are designed to engage and encourage your team to work together with fun games and challenges.

### 3. SPORTS DAY

Compete against each other and have lots of fun with all of your favourite, classic sports day games. Perhaps add an Olympic twist where each team represents a country from around the world and open the event with a parade of athletes!

### 4. WELLNESS

It is important to take time out and reconnect. Welcome in the early morning with a yoga workshop, followed by a nutrition-focused breakfast before starting your meeting refreshed and focused, or add as an energiser during a conference. The session will provide you with tools and techniques to apply to everyday life as well as within the workplace.
